Bill's Corner

The Rev. William D. Oldland

The month of June is a very important month in the life of the Episcopal Church.

During this month we will hear and read many stories concerning The 75th General Convention of the Episcopal Church of the United States of America.

Deputies and bishops will gather from every diocese connected to our church from our fifty states and from areas abroad. These deputies will gather to pray, worship and determine the polity of the Episcopal Church for the next three years.

As many of you are aware some of the decisions of The 74th General Convention were viewed with great interest, applause and disdain from many members of our dioceses and the Anglican Communion. At this convention we will have some discussion on many topics including the Millenium Development Goals, changes in our worship lectionary, and the official response of our Province to the Windsor Report. In addition, we will elect a new presiding bishop. Bishop Griswold will have finished his nine years of service in this position. We will be choosing a new bishop to represent us in the world wide Anglican Communion and lead the church into an interesting future.

We have eight delegates going to the convention and all of our bishops will be present as well. The names of our deputies can be found on our website. It is important

to hold them, our deputies and bishops, in prayer and ask God to lead them and guide them as they discuss and vote on the issues and the legislation.

I am asking every member of this church to pray daily for this convention, for the deputies, the bishops, the presenters and the visitors. I am asking us to pray for the presence of God's Holy Spirit to be present and to lead and guide them. Please begin praying now and continue the prayers throughout the entire convention which ends on June 20th.

The following prayers are very appropriate but do not preclude our personal supplications.

renewal and mission of your Church. Teach us in all things to seek first your honor and glory. Guide us to perceive what is right, and grant us both the courage to pursue it and the grace to accomplish it; through Jesus Christ our Lord. Amen.

For the Unity of the Church

O God the Father of our Lord Jesus Christ, our only Savior, the Prince of Peace: Give us grace seriously to lay to heart the great dangers we are in by our unhappy divisions; take away all hatred and prejudice, and whatever else may hinder us from godly union and concord; that, as there is but one Body and one Spirit, one hope of our calling, one Lord, one Faith, one Baptism, one God and Father of all, so we may be all of one heart and of one soul, united in one holy bond of truth and peace, of faith and charity, and may with one mind and one mouth glorify you; through Jesus Christ our Lord. Amen.

Prayer is our way of communicating to the One God who gave us life, love and hope. It is only right to ask God for guidance and assistance as we work in this world for God's glory. May God be with us this day and always as we continue on this incredible journey.

Peace,

Bill+

Adult Christian Education Opportunities

During the month of May and beginning into June there will be three educational opportunities for adults at St. Thomas.

Wednesday Evenings – May 31st – June 14th We will continue to learn about **The General Convention** that begins on June 13th this year. We have already reviewed the structure and format of the convention. We are now reviewing the resolutions that will come to the floor. All members of the church and the community are invited to attend.

Mondays at Noon

We are almost finished with the book of **Revelation**. Over the next few weeks we will be studying chapters 19-22. The classes begin at 12:00 and end around 1:00.

Sundays at 10:00

In the Vestry Room we are currently doing a **Biblical study of stewardship**. We are currently looking at New Testament words and stories that deal with this topic.

How Come?

by Don Gwarek

Imagine that you are sitting in church next Sunday and you notice the person sitting next to you seems really confused. He or she keeps looking at their prayer book, then up at the altar, and then with a frown on their face glancing at your prayer book before looking back at theirs. You smile, knowing that the person sitting next to you is a visitor totally unfamiliar with our way of worship.

“Welcome to St. Thomas,” you whisper. “If there is anything I can help you with please let me know.”

“Well since you mentioned it,” the visitor replies and points with his nose at the priest. “Why is he doing that?”

“Why don’t you join me and the congregation for coffee after the service,” you reply, “and I’ll tell you all about it.”

Later, standing in the Pipkin Parlor, the visitor mumbles something about the cookies being great as you begin to explain a liturgical service to our guest.

“Everything has a special meaning here,” you begin. “You notice the candles on the altar? That means that Christ is the light of the world. There are two candles which represents Christ being both human and divine.”

“At the beginning of the service there is a procession where we follow the cross of Christ to God’s kingdom ... represented by the altar.

And you noticed that everyone in the procession was wearing vestments. This reminds us of our historic roots and by dressing the same it shows that we are all the same in God’s eyes.”

“Our service is really in two parts. The first part is called the Ante-Communion which means before Communion. This is actually an ancient tradition of the Jewish people who came to their temples to sing songs and to hear God’s word. In addition to the prayers you heard a lay reader read a part of the Old Testament, a Psalm, and an epistle or letter from the New Testament. By the way the readers are lay persons which reminds us that we all take part in the service, and that we are all called to minister and take part in the Priesthood of all believers.”

“Oh yeah,” the visitor says, munching another cookie, “and when the priest brought the book down to the middle of the church and read, that was really nice.”

“Yes,” you reply. “that’s called the Gospel Procession and it teaches us that we should carry the Good News of Jesus Christ into the world. And I guess you noticed that after the sermon we all stood and said a special prayer called the Nicene Creed. The word creed means belief and when we say that ancient prayer we are telling the world what we believe.”

“And then there is the passing of the peace, an ancient way for people to greet each other and share God’s

peace.”

“My friend, when you come next week I’ll tell you about the most beautiful part of the service . . . the Holy Communion. Until then, God’s peace to you and everyone.”

The visitor helped himself to several more cookies. “Mmmm! These are good. See you next week. Say, do they have cookies every Sunday?”

Vestry Highlights from Joanne Piazza, Sr. Warden

The Vestry met on Monday, May 15th at 6:45 pm. We began with a scripture reading and an opening prayer, offered by **Rev. Oldland**, which was followed by the acceptance of the agenda for the evening.

Richard Piazza was present to go over the Treasurer's Report for the month of April. He reported that the overall budget is currently running about \$1,000 in the red, due mostly to increased utility bills and some pledges lagging behind. It was brought up that pledges usually fall behind starting at this time of the year as people travel. The option of having pledges drafted from checking accounts will be submitted to the Newsletter to make parishioners aware. *(See page 11)*

Jessica Rivers, the new Administrator of the Day School, visited this Vestry meeting. She reported on the results of the plant sale, the end-of-year program that is planned, updates on the playground equipment, creating a discipline policy, the need for new cubbies and the replacement of the curtain rods in the Parish House. Kindergarten will not be offered in the fall as there have not been enough inquiries. Rev. Oldland reported this is the trend for all private Day Schools as more people choose to place their children into the public school system because they need full-time education. The next board meeting for the Day School will be Thursday, August 10th and the open house for the new semester will be held in the Parish House on August 27th from 2-4 pm.

Rev. Oldland included in his report the need to secure a stewardship chairperson for 2007 as soon as possible. We also will be looking for funds available for the parking lot and roof replacement.

The Senior Warden reported on the proceeds from the Spring Flea, Bake Sale and Men's Club food tent. We

discussed the possibility of finding a chairperson to coordinate this event for next year if we decide to include the Ministry Fair again.

A verbal request has been made for placing a memorial in the Columbarium and Rev. Oldland was able to find the rules which state that "no decorative" items are to be placed in the columbarium area. The area is too small, however, it may be possible to place something in another area on the church property.

The Junior Warden reported that a quote has been obtained by the Levy B. Paving Co. to repair the large holes in the parking lot. This will be done in the near future and will be paid for out of the Jr. Warden's budget for repairs. Ogden Deal Signs will be onsite Wednesday to discuss placement of directional signs and finalize a quote. Memorial funds will be used for the signs.

Scotty Reeder reported that the Nursery will soon be painted and a new baby monitor will be purchased as the present one seems to be picking up sounds from another location.

Dot Reilly continues to send information to the local newspapers. The Reidsville Review ran a great story about the Blessing of the Animals and because of this article, a radio station in Charleston called Rev. Oldland and did an on-air interview with him.

Phillip Dalton, representing the Outreach Commission, reported that the Environmental Commission will hold a cleanup on Saturday, May 20th. Educational tips will be put in the Newsletter from this commission. *(See page 6)*

Paul Barret reported on topics discussed at the Finance Committee meeting which was held the second week of May. We discussed having our Bell dedicated and Rev. Oldland will

meet with **Bishop Chip Marble** to schedule this event. Rev. Oldland reminded us to please start filling in the calendar for fall 2006 and 2007 as we begin to make plans. We also need to present line-item budgets for 2007 at the June Vestry Meeting.

Jeanne Horsley reported that the Worship Committee will meet after church on May 21st. She will report on this meeting at the next Vestry Meeting. She also reported that 100 new prayer books will be ordered to replace the worn-out books that are in the pews now. The new prayer books will be purchased with Memorial funds. **Mavis Simon** is coordinating the purchase of the prayer books.

Peace,

Joanne Piazza, Sr. Warden

Canning Jars

Please check your closets for any empty canning or jelly jars and pass them along to **Dot Ferneyhough**. New ones are getting quite costly to purchase and besides, it's another excellent opportunity to recycle!

Spring UTO

The Spring United Thank Offering took place on Sunday May 28. However, if you were out of town that weekend, just turn it in late.

We will not mail the check to the Diocesan treasurer for about two weeks.

Betty Melchert, UTO Chairman

Episcopal Day School

By the time you read this, our school year will have come to a close. It has gone by so fast!

We've had a great bunch of students this year and we will miss them over the summer. We have eight children going on to kindergarten next year and we wish them all the best. These include **Brett Baker, Emily Garner, MaryBeth Hardy, Hollie Hill, Jackson Mackey, Alex Stadler, Helen Thorn, and Jamie York.**

We had our spring program/raffle "NOAH'S ARK" on Thursday, May 18th. The children did a great job. They worked so hard learning their lines and songs. We appreciate everyone who

supported us during this event by buying raffle tickets, attending the program, and/or donating door prizes.

We are already looking ahead to next year with great anticipation. One reason....**TWO BRAND NEW DELL COMPUTERS!!!** We want to thank **Bill and Jeanne Horsley** for donating these computers to our school. What an amazing and gracious gift! (Thanks to **Lape Smith**, too!) We are looking forward to getting these computers up and running with lots of fun and educational software. The kids are going to have a blast! Thank you! Thank you! Thank you!

We want to thank **Father Bill** for doing Wednesday chapel with the

children. The children showed a big preference for Father Bill's guitar playing, blues singing chapel services. They all know that "Jesus is the rock and he rolls our blues away!" Thanks, Father Bill!

We send our sympathies to the friends and family of **Kate Nelson**. Mrs. Nelson was one of our Sr. Friends and we are sorry to hear of her passing.

We still have a few spots available in preschool for the 2006-2007 school year. Applications are in the church office.

We hope everyone has a great, relaxing summer!

March Madness Crazy for Reading Program

By Teresa Ruhland

Again this year, the EDS outdid themselves with the 1,541 books read by the 16 students enrolled. Of course many people helped with the reading including parents, teachers, our ECW and new reader this year, **Tommy Thorn. Kate North**, Christian Education Director and EDS Board Member, presented the students with certificates, a book of their own and Winnie the Pooh jump ropes. **Edie and Jeannette**, the teachers, were each presented with a Devotional for Teachers and a Bob Builder game for the classroom.

The school was also given Barnes and Noble book shelves to organize the Children's Library 500+ books. It is now ready for any of our school and church children to borrow books. The ledger in the library, room #3 in the parish hall, is used for listing books borrowed. This year another anonymous donor provided \$200 for interior "sprucing up". The school will be presented with the check in June in time for the preparations for the 2006-2007.

Thank you to everyone who spent time helping the little ones reach their goal and get CRAZY for reading.

Episcopal Day School 4-Day Readers

Episcopal Day School 3-Day Readers

And at Williamsburg Elem.

By Ellen Oldland

This year **Bill Sutton** came to Williamsburg Elementary School three times during the month of March. He worked with fine third graders, listening to them read. Bill helped each of these children make their reading goal in the Accelerated Reading Program. Accelerated Reader (AR) is a program to help children with reading comprehension. Children read books then took a comprehension test on the computer, earning points for each book read.

Third through Fifth graders at Williamsburg are given a point goal to make each quarter. Bill listened to the third graders read and then discussed the books with them. The students then took the AR test and did well. In fact, it couldn't have come at a better time for Bill to help out because several children were very close to getting their goals met before the end of the term.

The students and staff appreciate Bill's help! If anyone else would like to volunteer don't wait until next March, call **Ellen Oldland** today.

Blessing of the Animals - Sunday April 30th

On Sunday afternoon April 30th, 32 people brought 20 animals to our annual Blessing of the Animals. One couple came from Burlington after seeing the story in the Reidsville Review! Be sure to check our website, www.stthomasreidsville.org, for these and lots more pictures in color!

Environmental Education Commission Tips

From THE OCEAN CONSERVANCY

- For cleaning jobs, substitute baking soda, vinegar, and borax for more harmful detergents like bleach and ammonia.

- Fill a plastic bottle with water and place it in your toilet tank to displace water and save up to 5,000 gallons of water per year!

- Before going to the beach or boat, eliminate packaging and other potential debris that could blow into the water.

From **WATER WISE** a publication of the Natl. Assoc. of Conservation Districts

- Do a Water Meter Audit. Turn off all water. Check your water meter. After two hours without using water, check it again. If it has changed, there is a leak in the system.

- Water your lawn early in the morning to lessen evaporation.

- Flushing of toilets uses the most water inside homes – an average of 27 gallons per person each day.

- Don't let water run while brushing teeth.

From GUIDE TO RECYCLING & WASTE REDUCTION - ROCKINGHAM CO.

- Reducing the amount of waste we create is the best way to take care of our community's environment because it lowers the initial demand for raw materials.

- Shop Smart: Buy only what you need, buy in bulk to reduce packaging waste, and when possible, buy recycled goods. All these methods help lower the use of new raw materials.

- Avoid Household Hazardous Wastes such as cleaning chemicals, garden sprays, and oil based paints whenever possible.

Boxes for recycling can be found in the narthex of the church, the parish hall, and the choir room.

Spring Flea & Ministry Fair - Saturday May 6th

The ECW Spring Flea and bake sale were very successful. **Dot Trent** took charge of the Bake Sale and **Dot Ferneyhough** did a marvelous job of overseeing the flea. After expenses we cleared approximately **\$1500**.

A big "Thank You" to all the people who helped with this event. We really appreciate all the "items" given for the flea.

Dot Reilly and Marian Safriet

The **Men's Club** reports doing just under half of last year. They will be donating the proceeds to the youth group mission trip.

The mens club will meet again in August to plan the Shrimpfest which will be held on Saturday September 16.

Congratulations !!!

On Saturday May 13, 2006 **Susan Bullock** was installed as Regent (President) for the coming year of the William Bethell Chapter, National Society Daughters of the American Revolution (D.A.R.), Reidsville, North Carolina.

In addition to holding their February meeting here at St. Thomas each year, the Reidsville D.A.R. chapter has another close connection with St. Thomas'. For those who may not be familiar with the chapter's history, the founding Regent was Mrs. Morrison Bethea, wife of **The Rev. Morrison Bethea**, our Rector from 1928-1941. Both the Rector and Mrs. Bethea were active in researching genealogical lines of charter members and helping to establish the Reidsville chapter at the organizational meeting on January 28, 1931.

The National Society Daughters of the American Revolution (NSDAR) is a lineage society devoted to preserving history, fostering patriotism, and promoting education.

Congratulations to **Gayle Ferguson** who was recently recognized for her Excellency in Teaching at the Rockingham Community College graduation. Gayle, a full-time faculty member, teaches classes involving office administration and record keeping for nurses.

Congratulations also to **John Bullock** who recently received an "Outstanding Individual" award from the Delaware County Council and the Heritage Commission of Delaware County (PA) for his development of the www.OldChesterPa.com web site. The Commission said it is "a "tremendous source of information, inspiration and nostalgia for so many of Delaware County citizens. You have truly contributed to our awareness of our heritage."

In receiving the award, John said that it was a little awkward for someone who describes himself as "*Ye Olde (and very humble) Webmaster*" to accept such an award so he would accept it on behalf of the thousands of people from around the world who had contributed their stories, information and photographs to make the web site the rich source of Chester's history that it has become.

Rockingham County's **Matt Trent**, a senior, will be playing college baseball next season at the University of Richmond. He is accompanied here by Scott Bankhead (NC Baseball Academy), John Hall (American Legion baseball), **Butch** and **Stephanie Trent**, Wayne Barnett (RCHS principal), Dale Gammon (RCHS baseball coach) and Sam Jones (RCHS athletic director). *Congratulations Matthew!*

Summer 2006 Hymn Blast

Do you have a favorite hymn that you haven't heard in a while, that you just love to sing, or that you'd like us to learn?

Well...Hymn Blast 2006 is here and the last time we checked there are well over 1000 hymns to choose from, counting all the hymnals we have access to! Or if you've got one from another hymnal that you'd like us to try, then bring it in and give it to Ed Spencer or any member of the choir.

Jot down your choices here or on another sheet of paper and drop the list into the offering plate. We'll do our best to see that your favorites are heard, and hopefully, sung by everyone!

Musical notes from

“Fast Away the Old Year Passes...”

Well, here it is: the end of another year...of school, of church seasons on top of each other in rapid succession, and of my time as a “rookie” at St. Thomas’. June brings us to celebrations of academic success (ask any parent about kids and grandkids...ask me!). June brings us into the season of Pentecost, which begins with a focus on the Spirit of God and the Spirit’s work in the world. (There’s a lot of work to be done...the season of Pentecost lasts about 6 months!) And this June, I celebrate the completion of my first year as Organist and Choir Director here at St. Thomas’ Episcopal Church.

Congratulations for lessons learned, for classes completed, for degrees earned, for persevering. Congratulations for prayers breathed, for listening to God’s voice however you have heard it, and for responding in faith and love to reach out to this troubled world with a message of good news. Thank you for welcoming me into your fellowship and for all the good things I have encountered here, summed up in an active church with many caring, loving people sharing that love with people who need it.

Our second year together begins as the first one did...with **HYMN BLAST!** Write down for me a few of your favorite hymns and then watch for them during the summer months. Tell you what... bring them to me on a Wednesday evening and stay for choir practice!

Thank you again for the pleasure of serving in your midst.

Ed Spencer

Congratulations to our Graduates!

Colin Ferguson (VirginiaTech)
Megan Ferguson (Graduate school at USC)

William Oldland (Reidsville High School) William will be going to UNC Charlotte.

EYC: Youth Activities

During June we have three major youth activities. **The first one is June 3rd. We are selling cooked Boston Butts** (10-12 lb. pork roasts) at \$25.00. The roasts will be slow cooked on June 3rd. They will be basted with real butter and apple cider vinegar. There are no artificial seasonings or MSG added. If you would like to order a roast contact any youth group member.

The EYC Meeting on Sunday June 4 will be a fun event immediately following the 11:00 a.m. Family Service. Bring a bathing suit and towels.

The second event is a final meeting concerning the Mission Trip. On June 11th, we will meet at St. Thomas at 4:45 p.m. to finalize our plans for the Mission Trip. Please bring all of your forms with you to the meeting. We will have a notary present to sign our medical forms.

The third event on June 18th is a fun event. We will meet at St. Thomas immediately after the 11:00 am service. Bring a bathing suit, towels and a change of clothes. We are going to have some wet and wild fun.
